

The Monthly Minute

Spring 2024: MARCH

Welcome to March:

May the road rise to meet you, May the wind be always at
your back. May the sun shine warm upon your face, The rains
fall soft upon your fields. And until we meet again, May God hold
you in the palm of his hand.

May God be with you and bless you. May you see your children's children.
May you be poor in misfortune, rich in blessings. May you know nothing but happiness.

From this day forward. May the road rise up to meet you.
May the wind be always at your back. May the warm rays of sun fall upon your
home, And may the land of a friend always be near.

May green be the grass you walk on, May blue be the skies above you,
May pure be the joys that surround you, May true be the hearts that love you.
