

Greetings,

Thursday, June 11, 2026

The heat is here! Summer has arrived! I am starting to get psyched, because one of my favorite Sundays is coming up. On June 21 (Father's Day) we will be joined by Caribbean Eclipse – a steel drum band that has been joining us for worship since 2021 when we were worshipping on the lawn because of COVID (Does anyone remember COVID?). Tim Rush will bring his Steel Drum, and John Seydewitz will bring his Marimba, and the sounds in worship will carry us away, as we hearken in our minds to tropical breezes, palm trees sway, and a nice refreshing drink is in our hands.

This week, you are receiving two bulletins – this Sunday's – June 14, and next Sunday's – June 21. The reason for this is that I will be out of state next week and not writing an e-mail, and Jan Cook, our Office Administrator, leaves for vacation at the end of next week. So, here's what's coming up in the life of the church...

Father's Day Brat Fry On Sunday June 21, we will be joined by The Caribbean Eclipse Steel Drum Band. You are invited to wear your favorite tropical shirt, slacks, mumu, straw hat, or whatever, as the sounds of the Caribbean warm our hearts throughout the morning. This will be followed by a Brat Fry in the Fellowship Room to celebrate Father's Day.

Intergenerational Mission Trip Meeting June 23, 7:00 p.m. Hear Ye all participants of the 2026 Intergenerational Mission Trip to Staten Island, New York. We will meet on Tuesday June 23. We have all sorts of paperwork to be filled out, schedules to go over, questions to answer, and a little fun to be had.

New Members Sessions On Sunday July 12, following the service of worship, we will have an information gathering and class for those who have been visiting with us and would like to explore membership in the congregation. New Members will be brought into the Fellowship on July 19.

Please see newsletter below for all other volunteer opportunities, activities, events, and classes.

Peace, Pastor Dave

GCC SUMMER LEARNING CONNECTIONS

The life of Jesus was all about connections! Jesus went through his life knowing that human beings are made for relationship with God and each other. Connections were vital for Jesus! They were nourishment and his lessons teach us that we can't thrive without them. So - let's connect and learn how Jesus lived and taught about our connection to love, compassion, empathy, each other and the earth. Come and "CONNECT" with GCC friends and let's build a community together.
