

Men's Club

EST.

2024

Men's Club is essential because it provides a space for men to connect with other men. It helps to break down the barriers of isolation and loneliness that many men face in today's society. GCC is bringing back Men's Club! Our hope is that this club can meet once a month in fellowship for a casual activity or outing.

There will be opportunities during the day as well as in the evening in the hopes that there will be something for everyone!
