Writing a New Future for Our Country

14 NOV. 2026

Greendale Community Church • 6015 Clover Lane

10:00 am-noon

Collectively, we are grieving an America we no longer recognize. At times we don't have words to adequately express our feeling of grief, sadness, anger, and the lack of empathy for our fellow neighbors.

Together, we will take time to write a final obituary for this phase of our history. Once we clean the slate, we will turn our focus on dreaming of the new future we desire and inspire each other to action to build just that.
