Greetings,

Thursday, February 26, 2026

I always love this part of the Confirmation year, because this is when we start talking about all of the “juicy” stuff, the stuff that matters – like who is God, and who is Jesus, and what is the Holy Spirit. This past week, we were talking about Jesus, and I asked the class, “what are the two questions the Gospels raise, no, not just the Gospels, the New Testament raise over and over again?” And, they got it right. THEY GOT IT RIGHT!!! They said, “Who is Jesus?” and “Who are we because of Jesus?” I almost had to lie down!!! This is such a good class. Then we began to look at some stories – granted they are some of my favorite stories about Jesus, but we have to start somewhere – and they were amazing! The class asked such good questions. And they made such good connections. And, when encouraged, they dug down deep into the story, and they discovered stuff about Jesus that isn’t just sitting on the surface. And then when it came to the question of “who are we because of Jesus?”, well, let’s just say that this pastor who is getting long in the tooth was amazed. Would that we were all willing to dig deep! Would that we were all willing to set aside preconceived notions of the Gospel! Would that we were all willing to ask tough questions about who Jesus really is! Would that our discipleship were really based on how we answer the question – Who Are We Because of Jesus?
