

# *Summer Reading Program:*

*(WWJR) What Would Jesus Read?*

*JUNE 11th - AUGUST 26th.*

*PRIZES WILL BE CHOSEN ON AUGUST 27TH.*

We are so happy you decided to participate in our Summer Reading Program. To participate in our summer reading program, we ask you to read books on the topics of inclusivity, equality, and diversity. Greendale Community Church's CommUNITY Library will open in September. We believe that Jesus' examples of acting with love and justice show the way to advance wholeness in the world. In 1990 children's literature researcher, Rudine Sims Bishop's wrote an analogy about mirrors, windows, and sliding glass doors. Books are mirrors when readers see their own lives reflected in the pages. Books are windows when they allow readers a view of lives and stories that are different from their own. Books become sliding glass doors when readers feel transported into the world of the story and when they feel empathy for the characters. We hope that reading diverse books provides people with safe spaces to challenge their own assumptions while growing awareness and understanding. We believe that every book in our CommUNITY Library is a book Jesus would read.
